

Ashfields Primary Care Centre – GP Partner 6- 8 sessions

An exciting opportunity to work in an outstanding practice in Cheshire has arisen due to list size growth. We are a forward thinking, well established 11 partner practice in a market town in Sandbach, Cheshire, looking for a colleague to join our partnership.

Sandbach is a growing market town in South Cheshire within easy commute of South Manchester, Chester and Stoke. Our patient demographics are mainly middle-class patients with a number of new build commuter families and a large retirement age population. There are some pockets of deprivation, several care homes and some rurality offering a wide range of medicine to practise.

We offer a well-managed workload and a healthy work life balance with the support of our caring and dedicated clinical and admin team. We have an excellent reputation in the local area and have a great team spirit with a holistic approach to the care of our patients and staff.
